WHY: RAISE FUNDS AND AWARENESS FOR AUTISM!

The Autism Society is the nation's leading grassroots autism organization that exists to improve the lives of all affected by autism. We do this by increasing public awareness about the day-to-day issues faced by people on the spectrum, advocating for appropriate services for individuals across the lifespan, and providing the latest information regarding treatment, education, research and advocacy. Be part of the solution to treat autism now!

Contact us if you have any questions at events@autism-society.org.
Let the thunder roll!

See you there and thank you for supporting our mission!!
